Sir:

AMENDMENT

This Amendment responds to the Office Action in the above case mailed February 1, 2007, requiring a response by May 1, 2007.

A Petition for a two-month extension of time accompanies this Amendment. If such Petition is granted the period in which to respond would expire on July 1, 2007. Since July 1, 2007 was however a Sunday and the United States Patent Office was therefore closed for business, the period for response with the two-month extension does not expire until July 2, 2007. Accordingly, this Amendment is timely filed.

Please amend the application according to the amendments indicated in the section entitled "Amendments to the Claims" under Complete Listing of Claims which begins on page 2 hereof.

Remarks begin on page 4.
